DKK to Exhibit at MWC Las Vegas 2023

DKK Co., Ltd. (Head office: Chiyoda-ku, Tokyo; President: Tadatoshi Kondo) is excited to announce its participation in MWC Las Vegas 2023, scheduled to take place at the Las Vegas Convention Center in Las Vegas, NV, USA, from September 26 to 28, 2023.

MWC Las Vegas stands as North America's premier mobile communications exhibition, bringing together industry leaders, including telecommunications carriers, device manufacturers, wireless equipment manufacturers, content providers, and software developers. This event serves as a platform for unveiling new products and cutting-edge technologies that influence global technological advancements.

At our booth, we will display products compatible with current carrier 5G and private 5G as well as products designed for the next generation of Beyond 5G. You'll have the opportunity to explore our state-of-the-art technology, including antenna, radio unit, and reflector. When you visit, be sure to visit our booth.
